

System Requirements

To connect to ResNet, you will need at a minimum:

- A computer with an Ethernet port (RJ-45).
- A Category 5 (Cat-5) Ethernet cable. These are available for purchase from the Barnes & Noble @ UAB Bookstore or any electronics or office supply retailer.
- For PCs:
 - Windows XP with Service Pack 3 or later OR Windows Vista with Service Pack 1 or later.
 - All current security patches from Microsoft must be installed.
 - Anti-virus software installed and fully up to date. Free AV software is available from the [UAB Software Library](#).
- For Macs:
 - Mac OS X 10.4.11 or later.
- A BlazerID: If you do not already have a BlazerID, or you have forgotten your password visit [BlazerID Central](#).

Below we have listed some recommended system configurations to get the best performance from ResNet:
